To Whom it may concern:

Re: Invitation & Donation Request.

Our community is celebrating our 23rd Annual Traditional Pow wow on August 18th & 19th, 2018. This year the Theme will be “**Mnaajaadanik Emaakzjik**”, Honouring Our People with Disabilities and Special Needs.

Wahnapiatae First Nation would like to know if your organization would take part in contributing by donating funds or gifts, as well as promoting our cultural event by having available handouts and or a poster for your employees, family, friends, customers and clients. There will be food, booths full of authentic hand made crafts and leathers and furs, dancing, singing, drumming, games, and much more teaching of our Anishnaabe ways.

Any donations will be contributing and assisting in our Giveaways and specials that we have during our festivities. All sponsors and contributors will be acknowledged on our Facebook page WFN Pow wow 2017. Any further information please feel free to call the above number and ask for Lori Corbiere at ext. 213.

A receipt for contributions will be provided if needed. It would be an honour to have your establishment or company to be part of our celebrations, but most of all to become connected with our community and First Nation.

Chi-Miigwech,

[Thank You]
