FROM: Chief and Council
DATE: Sept 26, 2017
RE: Natural Resources Industries Working Group

Wahnapiatae First Nation Chief and Council are inviting a youth and an elder that may be interested in joining the newly established Natural Resources Industry Working Group (formerly Mining Industry Working Group). We are looking for 1 youth representative (18 or older) and 1 elder to sit on this committee.

The purpose of the committee is to help build relationships with various industry partners in natural resource developments (mining, aggregates, forestry, etc...) to negotiate benefits for the community.

Regular monthly meetings will be held in the evening at the Centre of Excellence (259 Taighwenini Trail) and participants will receive an honorarium for each meeting.

If you are interested, please submit a letter of interest to the Executive Director, George Ransom, at the Centre of Excellence, or email it to george.ransom@wahnapiataefn.com.

In the letter, please state which role (youth or elder) you could fill and a brief description of what interests you about participating, what you can bring to the committee, and/or what you would like to learn from the experience.

Please submit your letter of interest by October 9, 2017.

Miigwetch / Thank you,

George Ransom
WFN Executive Director
