

Wahnapitae First Nation March 2011 Newsletter

March 2011

Inside this issue:

WFN signs MOU with Trueclaim

Trueclaim Exploration Inc. is pleased to announce that it has signed a Memorandum of Understanding ("MOU") with the Wahnapitae First Nation respecting Trueclaim's mineral exploration, mineral development and closure operations on the part of its Scadding Project that lies within the Wahnapitae Nation Traditional Territory.

Chief Myles Tyson of the Wahnapitae First Nation said "We are looking forward to a long and mutually beneficial partnership with Trueclaim and are excited at the opportunities this MOU brings to both parties. This MOU shows how everyone wins when we take time to talk to one another."

Trueclaim and the Wahnapitae First Nation recognize that they have a mutual interest in co-operating with each other to avoid unjustified infringement of each other's rights, titles and interest, to mitigate adverse environmental and socio-economic effects, and to ensure the timely and orderly exploration and development activity of the Scadding Project. The MOU demonstrates Wahnapitae First Nation's and Trueclaim's commitment to a working relationship.

Rocky's Gas Bar Burns

Sometime during the early morning hours on Saturday, February 26, 2011, the gas bar at Rocky's burnt to the ground. An ice hut and vehicle was also burnt.

There was minimal damage to the restaurant. The restaurant

was closed for the day but was open again for business the following day.

The cause of the fire was undetermined by the Fire Marshall.

Chi-Miigwetch! to the WFN & Capreol Fire Department for their quick response.

If anyone has pictures of the fire, could you please forward to the WFN band office so we can share with the everyone who receives our community newspaper.

Thank you

Wendy Tyson - CWW

Cooking On A Budget

Turkey and Vegetable Stew with Dumplings Pineapple Surprise

Wednesday, March 2, 2011

10 am - 1 pm

at the gazebo

for more information contact Wendy at 705-858-0610 ext: 107

NUTRITION NOTES: A serving of Turkey and Vegetable Stew with dumplings makes a balanced meal. It is made up of all four food groups from **EATING WELL WITH Canada's Food Guide**—vegetables and fruit, grain products, milk and alternatives and meat and alternatives.

Nutrition Tip of the day....

Eating breakfast every day can help improve concentration, reduce hunger and maintain a healthy weight. Look for fast and easy choices such as whole grain breads and muffins, cereal with milk, fruit and fruit juice, yogurt and yogurt shakes, cheese, and eggs, or be creative with last night's leftovers.

Community Sliding Party & Weiner Roast

Saturday, March 12, 2011

1pm - 4 pm

at the sliding hill

below the big hill

on Taigwenini Trail Road

Bring your Granny, Grammpa, Mom, Dad,
Aunty, Uncle, Cousin or friends....

Anyone under the age of 16
must be accompanied by an adult.

Don't forget your marshmallow sticks
and a change of mitts

Weather permitting we will make a snow sculpture....prize for best one!!

Healthy Families Make Healthy Communities!

AQUATIC RESOURCE FIELD CAMP

June 27 — July 1, 2011
 Canadian Ecology Centre
 Mattawa, ON
 Hosted by Anishinabek/Ontario Fisheries Resource Centre
www.aofrc.org

ANISHINABEK/ONTARIO FISHERIES RESOURCE CENTRE

Dear Education Coordinators/Counsellors,

Re: Aquatic Resource Field Camp June 27 – July 1, 2011

The Anishinabek/Ontario Fisheries Resource Centre invites you to recommend three First Nations secondary school students to apply to our *Aquatic Resource Field Camp* on June 27 to July 1, 2011. The camp will be held at the Canadian Ecology Centre in Mattawa, Ontario. Our goals are to engage students in the world of science and give them the opportunity to learn about fisheries and ecology science as well as forge friendships with other highschool students who have the same interests.

Our goals will be achieved through a program consisting of presentations and outdoor activities. Some of the topics that we will cover include: fisheries ecology and assessments, wetlands, animal ecology, stream/river study, environmental conservation and weather. Each course will be complemented with activities like hiking, canoeing, biking, and swimming. Leisure activities including campfires, wolf howling and night vision monoculars are also a part of Field Camp! As an added bonus, every participant will get the opportunity to make their very own paddle!

The success of this program largely depends on your involvement in choosing students who will benefit from such a program. As students from all 40 First Nations will be applying and there are only 20 spots available, each student will be selected based on a number of criteria: relevance to area of interest, relevance to current or future studies, and dedication to conservation of aquatic resources and cultural values.

The A/OFRFC will cover complete lodging, boarding, and camp materials. The students will be required to bring indoor and outdoor clothing for 5 days and 4 nights. Parents/guardians will be required to cover the students travel to and from the Ecology Centre. More information such as packing lists will be made available to the selected individuals. Signed waivers and health forms will be required at the same time.

I will need your choice of students by **March 11, 2011**. Please fill out one application form per student (attached). Parents of the selected students will be notified via phone in March. If you require any further information please send an email to myself at mpeltier@aofrc.org

Sincerely,

Maureen Peltier

Education, Employment and Training Fund

QuadraFNX Mining Company & Wahnapitae First Nation Impact and Benefit Agreement

The WFN Chief & Council are pleased to announce that new funding is now available to assist Wahnapitae First Nation members and community members who are interested in pursuing employment, training initiatives or Post Secondary Education related to the **Mining Industry**.

Who is Eligible?

"Band Member" – means a registered Status Indian, as defined in the *Indian Act*, whose name appears on the WFN Band List.

"Community Member" – A Band Member, a spouse of a Band Member or a child of a Band Member residing within the Wahnapitae Reserve No. 11.

Are you interested in obtaining education and training necessary for **skilled labour employment and/or technical and science related careers in the mining industry**? Financial assistance is available to qualified candidates to support tuition, books, living allowances and transportation.

Would you like to work for an employer to receive **on the job training**? Wage subsidies are available to assist the employer in hiring you and providing quality on the job training. Mobility assistance is also available to assist you in relocating if you have secured employment.

Would you like to pursue an **apprenticeship**? Supports are available to assist you such as a tool allowance and specialized equipment and safety gear.

Short term training assistance and multi-year post secondary education assistance is available to qualified candidates.

For more information or to fill out an application please contact:

Sustainable Development News

March 2011

January 26, 2011

Dear Community Member,

Xstrata Nickel is continuing an exploration drilling program in the Ella/Capreol Lake area. It is anticipated that the program will run for the duration of 2011. The drilling will take place on Xstrata Nickel property and for safety reasons we ask that the public not enter onto the working sites. A map is included with this letter showing the location of the sites (see reverse). Our current contractor is Foraco Canada.

We do not anticipate there will be any noise disturbance to residents within the area however as a precautionary measure the equipment will continue to be muffled, and noise barriers will be erected on sites in closer proximity to the community to ensure noise is kept to a minimum.

If you have any questions or concerns please contact Dave Richardson, Senior Project Geologist at 699-3694 (office), 561-7567 (cell), or Herb Phelps, Supervisor of Geological Services at 699-3655 (office), 561-0536 (cell).

Thank you for your continued cooperation.

Nic Fenner
Regional Geologist
Xstrata Nickel Exploration

Photo Contest!

You are invited to participate in the 1st annual Wahnapitae First Nation photo contest.

The Contest is open to all residents of **WFN (Wahnapitae First Nation)**

The images can and must be royalty free to promote the contest, website and WFN as a whole. This includes press releases to magazines who can also publish royalty free but only in the context of an article specifically about the contest or our community and with full credit to the photographer. Likewise, we have royalty free use throughout this website and for any publication that this community may produce. The images will not be sold on to any third party for any commercial use without the photographer's express written permission.

All images must be **your** copyright and **model release** form be signed. (You need this signed if you have a person in your image), please see **Cheryl Recollet** for more information.

* **The subject must be suitable for family viewing and not contain images or subjects that may be considered offensive or abusive to persons, animals or nature.** *

HOW TO ENTER

Registration:

To participate in the Contest, you must first register in the WFN website by signing up as a WFN member.

All ages are welcome to participate. Only 1-3 photos per entrant allowed. **All photos submitted must have being taken at Wahnapitae First Nation.**

Go to **www.wahnapitaeirstnation.com** and print the contest form or stop in at the band office and pick up the contest rules, contest entry form and model release form (if needed).

All photos submitted should be in a .jpg file format, and be in a high resolution and be at a size of no less than 5" x 7" printed photos can also be entered
Provide to the band office a printed version on photo paper and a digital version (on CD or USB stick) if not sure how to do this, please contact **Cheryl Recollet** for help.

Attach on the back of each photo submitted:

Entrants name
phone number
address
email
where and when the photo was taken

Do not write directly on the photo that will damage your photo, use paper and tape to attach the above information. PLEASE SUBMIT PHOTOS BY AUGUST 31, 2011.

Wahnapitae First Nations' Economic Development is Awarding a Rocky's Gift Certificate each month for a "Dinner for Two" at Rocky's for the "Suggestion of the Month" that contributes to creating economic opportunities for our members, improves the way we do business or in the level of services that we provide. Help us serve you better and make Wahnapitae a "Great Place to Live"

M. (Mike) J. Alken, EDT/O WFN

Aanii, Hello!

Chief and Councils' "New Year's Resolution" is to make Wahnapitae a better place to live and I have been directed to assist in that effort. I believe that the best way to do that is to get the community involved by finding out what they think, what they want and how they feel about the community. I'm looking forward to meeting you and making Wahnapitae a "Great Place to Live"

Miigwetch,

M. (Mike) J. Alken, EDT/O WFN

SALARY: Salary to commensurate with qualifications and experience
START DATE: April 1, 2011
REPORTS TO: Health Director

NATURE AND SCOPE OF POSITION

Wahnapiatae First Nation provides health care programs and services for families with children and youth residing on reserve. While working under WFN Band policies and program guidelines, the Child and Youth Worker develops and delivers educational healthy activities that are age-appropriate and assist in the development and overall wellbeing of children, youth and their families. The Child and Youth Worker demonstrates positive role modeling and leadership qualities while integrating the community culture in activities on a flexible schedule.

QUALIFICATIONS

- Preferred college diploma in Early Childhood Education, Youth Worker, Social Services Worker, Native Child and Family Worker or Health Promoter or equivalent education or combination with experience
- Sound knowledge and application of child development and family and youth health
- Strong communication, networking and promotion skills; planning and evaluation
- Demonstrated ability to work in a computerized environment
- Assert affiliation and commitment to the WFN community and knowledge of Ojibway culture
- Ability and willing to obtain certification in First Aid & CPR and safe food handling
- Valid Ontario driver's license, must be insurable and own transportation and ability to travel
- Provide a clear Criminal Reference check

CLOSING DATE: Thursday, March 24, 2011 @ 4:30 pm

Please forward your cover letter, resume and three (3) work references by fax, email or regular mail to:
